

THANK YOU

Thank you for your support this academic year. Your prayerful and financial support has enabled us to share God with many, many children in Matlock and across the surrounding area this year. We have been able to support schools by delivering Collective Worship, teaching children what Christians believe about God. And in R.E lessons we have been able to teach children more about the Bible through 'Walk Through the Bible Presentations'. It is such a privilege to visit these schools and we are so grateful for this opportunity. Thank you for partnering with us and supporting us in this ministry.

Praise God...

- ~ For the opportunity to visit these schools.
- ~ For the children and staff we meet.

Pray...

- ~ For seeds to take root in the hearts of the children we have met.
- ~ For the Y6's transitioning to Y7 in September and starting new schools. Pray they will remember all they have heard about God in Primary School.
- ~ For everyone, children, staff, parents, us, to have a good and safe break over the summer.
- ~ For any holiday clubs or camps taking place over the summer (Chloe and Hannah are both camp leaders this summer).
- ~ For God's leading and guidance as we prepare for the autumn term.

A SNIPPET OF THE YEAR 22/23
